**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fair competition is critical in all businesses. And the internet is no exception. The main players are not providing the best or least expensive service. We have tried a number of them just to be continually disappointed in their LACK of service.

Having a local source for internet has worked very well. Our local provider works harder to ensure his customers are well served at a very fair cost. Keep the playing field level and keep our local provider!
